

Ski Program

Here is some basic information on our program. We take applications in October, so please look for more specific details at that time.

- The program is held at Pat's Peak and runs for five consecutive Fridays in January, -usually after returning from Christmas vacation.
- Since this program is NOT school sponsored, there is no bus transportation.
- Children are dismissed from school at 2:20 pm to be taken to the mountain.
- First and Second Grade children must be accompanied by a parent or guardian.
- The cost will range from approximately \$100 to \$250 depending upon equipment rentals and whether your child skis or snow boards.
- The lessons start at 3:30 pm and are one hour long.
- After the lessons, the mountain is open for the entire family to enjoy.
- Parents have the opportunity to purchase reduced-rate lift tickets after the lessons, since their children are in the program.
- Questions? Please contact Kathleen Mulleavey at 225-3450 or Anne Owsowitz at 226-4881
