Dear Parent,

Since 1888, St. John Regional School has been providing students with an outstanding and well rounded academic experience. Starting in Kindergarten, through Eighth grade, we provide students with a rigorous academic program that challenges them academically, develops them spiritually and socially, and helps them to become responsible citizens, with a passion for learning. We are a strong and lovin community of dedicated educators, committed parents, and enthusiastic and capable students. ***Generation after Generation***, we continue to provide a strong Catholic education, within a warm and nurturing environment.

Please take time to visit our website and get just a hint of the many extraordinary programs and activities that make SJRS such an exceptional learning community. For more information on the school and potential openings, please call the main office at 603-225-3222, extension 10. Mrs. St. Louis will be happy to set up a tour and/or send you any additional information.

God Bless,

Michele M. McKenna  
Principal
