Shirlene Pelkey Scholarship

The Shirlene Pelkey Tuition Aid Fund was established in 1994 in memory of Shirlene Pelkey who served the school as Secretary, Mother, and Friend. It was her wish that no family be deprived of a St. John experience. Donations to the Fund can be made in memory of a loved one, whose name will be inscribed on the Memorial Plaque hanging in the school.

Financial awards are made to SJRS families committed to Catholic education and are experiencing financial hardship. Awards are made as needs arise.

Please call the school for more information at 603-225-3222.
